HEALTH ASSIST

We as a part of Health Assist, Assist patients to access good health care options near them wherever they are. We are trying to provide good and valuable assistance to all patients as we believe in “आरोग्य अस्ति सर्व” which means Health is Everything. We provide almost all types of assistance that any patient needs at just few clicks. We also help Doctors, Chemists and pathologies to reach more people and grow their business.

Frontend :- Angular | **Backend** :- SpringBoot | **Database** :- Postgres12
